Deposit Guarantee Fund

Deposits made at **Haitong Bank**, **S.A**. are eligible for the money-back guarantee provided by the Deposit Guarantee Fund or the Investor Compensation Scheme when unavailable for reasons directly related to their financial status. Deposits made for the settlement of transactions and financial intermediation services covered by the Investor Compensation Scheme are not eligible for the guarantee from the Deposit Guarantee Fund under current law.

The Deposit Guarantee Fund guarantees reimbursement up to a maximum of $\leq 100,000.00$ (one hundred thousand euros) for each depositor, whether they are resident in Portugal or not and whether the deposits are denominated in local or foreign currency.

In calculating the value of the deposits of each depositor, the value of all deposit accounts on the date on which payment became unavailable is considered by the institution, inclusive of interest. The balance of foreign currency deposits is converted into Euros for this purpose at the exchange rate on that date.

From 1 January 2019 to 31 December 2020, the repayment of the guaranteed amounts shall take place within the following deadlines:

i) A proportion of up to € 10,000 of all deposits covered, within a maximum of seven days;

ii) The remainder up to a maximum period of 15 working days

The period referred to in i) is counted from the date on which deposits have become unavailable. The Fund may, in very exceptional circumstances and in individual cases, request an extension from the Banco de Portugal, for a period not exceeding 10 working days.
